ABOUT OUR COMPANY

Company Background

Sky Shore Trading Co., Ltd. was founded with a vision to provide comprehensive logistics services and international import and export solutions. The company was established to support the growing needs of businesses by providing efficient logistics services and developing solutions that respond to the evolving demands of global trade.

Today, Sky Shore Trading Co., Ltd. provides integrated logistics solutions covering international import and export operations. Our services include international freight transportation by sea, air, and road, as well as cross-border transportation. Through coordinated transportation and logistics operations, we help customers manage their supply chains efficiently and seamlessly.

We are committed to continuously improving our service standards, operational capabilities, and logistics expertise to deliver reliable and professional solutions. With a strong focus on efficiency, flexibility, and customer satisfaction, Sky Shore Trading Co., Ltd. aims to be a trusted logistics partner, providing services tailored to the diverse needs of businesses in an increasingly connected global market.

SEA FREIGHT

SKY SHORE TRADING

The company specializes in international freight forwarding services, with a strong focus on ocean freight transportation. We arrange vessel space and container equipment through reputable and reliable shipping lines, ensuring solutions that are well suited to our customers' specific requirements.

Our services include selecting and coordinating with appropriate shipping lines, negotiating freight rates and terms, and arranging vessel bookings based on each customer's transportation needs.

Currently, the company provides comprehensive ocean freight services covering major commercial ports and key trade routes worldwide. Our primary markets include China, Indonesia, India, and the United States. With extensive experience and expertise in the Thailand–China trade route since the early stages of our business, China remains our key market, followed by Indonesia and the United States.

TRANSPORTATION

SKY SHORE TRADING

Our land transportation services cover a wide range of vehicles, including 4-wheel trucks, 6-wheel trucks, and trailer trucks, each designed to accommodate different cargo weights, sizes, and transportation requirements.

We select the appropriate type of vehicle based on the specific requirements of each customer and the characteristics of the cargo. This enables us to provide safe, efficient, and reliable transportation solutions tailored to each shipment.

TRANSPORTATION SERVICES

CROSS - BORDER

SKY SHORE TRADING

We provide cross-border land freight services with a variety of vehicle options, including customs clearance and international land transport services to neighboring countries (Laos, Myanmar, Vietnam, Malaysia, and China), offering both full truckload (FTL) and less than truckload (LTL) options.
